

35mm DC Rechargeable Battery 6Nm Motor

The **Motolux** 6.0Nm rechargeable motor is the complete solution for motorising blinds where power is hard to get to or for customers that would like a rechargeable option. Featuring “Soft Start and Soft Stop” this motor has a total of 6 limits that can be set (Top, Bottom and Four Intermediate limits). It is compatible with all **Motolux** Hand Held and Wall Mounted remotes as well as automated control via the UFO Smart Hub.

Powerful yet surprisingly quiet the 6nm capacity of this motor will allow you to lift the largest of blinds up to 24sqm with ease. Crown and Drive Wheels are available to suit tube sizes: 43mm, 50mm and 63mm.
